

Natalie Crampton

Global Event Strategist | Entrepreneur
| Advisor | Humanitarian

SHORT BIO

Natalie Crampton is the Founder of TEC, a global events agency operating across five continents. With over 20 years of experience, she has delivered exceptional experiences for clients including HSBC, Meta, DHL, Audi, and Bloomberg.

A respected speaker and educator, Natalie lectures at Dubai College of Tourism, is a regular guest on Dubai Eye 103.8 and serves on the board of SITE Arabia.

She is passionate about social impact and has launched charitable initiatives including a sewing school and library in Ghana, as well as skills training programs in Asia. Natalie is also the host of the Gulf for Good podcast, where she interviews adventurers and changemakers from around the world. Her work blends innovation, sustainability, and purpose - always with a human touch.
